# GERARD MILANO TILE

Using its leading edge technology, AHI Roofing has further extended our range of steel roof tiles with Gerard Milano Tile – a profile with the timeless look of traditional Mediterranean roofs. Architects and Specifiers will enjoy working with the soft curves and versatility of this strong inter-locking profile on a wide range of roof styles.

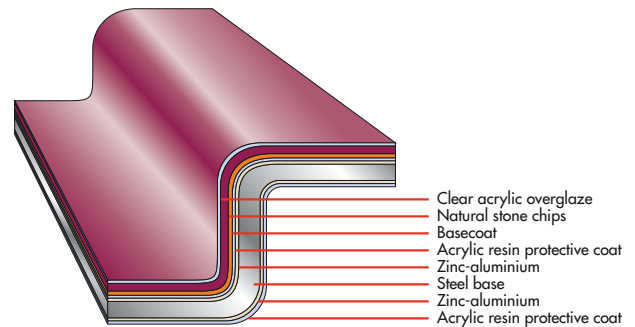

## MILANO COLOUR RANGE

Milano Tile comes in a wide range of colours which incorporates the traditional tile patched effect resulting in a simply stunning roof for your home.
